Dear Track Fans,

Today is one of my favorite days. It's a day for those that want to help (or, as we like to say, Giving - Speed - Day). Giving - Speed - Day was created by Coach Mack with a simple premise: everyday during this track season we encourage those of you to show up for the issues that matter most. Youth development in sports, specifically track & field and education are at the top of our list.

We believe in and rely on the kindness and generosity of the track & field community and elite fans of the sport. That's why we've set an ambitious goal to raise \$10,000 by the end of February 2025. Your donation will fuel our ongoing operating expenses for the 2025 season.

Your contributions directly support our athletes and coaches, flights, hotels and ground transportation, which is not cheap these days. Your donation will also help our efforts to expose our athletes to what **real track & field** has to offer on an elite level. This exposure also gives student athletes better school choice when it comes time to choose a college.

This Giving - Speed - Day is a great opportunity to invest in a child's future that makes your communities better with well-rounded and educated citizens. **Can Macktrack Elite Inc. count on you to help us reach our goal today?**

Thanks,

Coach Mack
